

Step 1. Follow the emailed Registration Link provided by your coach

The screenshot shows the TeamSnap registration interface. At the top, it says "2017/2018 Player Registration U9-U15". Below this are navigation icons for "Info", "Back & Forwards", "Fees", and "Checkout". The main heading is "Participant Info" with a sub-instruction: "Please input all required participant information below." Underneath, it says "Step 1: Enter Participant Info". Two yellow buttons, "Import Participant" and "Add Participant", are prominently displayed and circled in red. Below these buttons, the form is divided into "Step 2: Enter Parent Info" and "Step 3: Show or Hide Info". The parent info section includes fields for "Parent 1" and "Parent 2", each with sub-fields for First Name, Last Name, Email, Cell Phone, and Relation. A "Save & Continue" button is at the bottom right. The footer contains the copyright notice: "Copyright © 2017 TeamSnap & Springfield Thunder SC".

The modal is titled "Import Participant" and contains a search input field with the text "Genesis Thunder U11 Boys Navy as Player". Below the search field is a "show archived participants" link and a "close" button. A green "Import Participant" button is also visible within the modal. The background form is dimmed, showing the "Step 1: Enter Participant Info" section with the "Add Participant" button highlighted in green. The "Step 2: Enter Parent Info" and "Step 3: Show or Hide Info" sections are also visible in the background. The "Save & Continue" button is at the bottom right of the main form.
